## **Year 11 PSHE Day – Thursday 12<sup>th</sup> November 2020**

Dear Year 11 Parents / Carers,

Year 11 students would normally all attend a full taster day at Henley College in mid-November during the second PSHE Day of the year. This event is to provide them with information about the range of post-16 courses available at the College and to focus their minds on post-16 applications.

We have just received details of what Henley College will be offering this year which is in the form of a single one hour online session in the middle of the day. This does not fit well with the current structure of our school day and has also provided us with only very limited time to make other arrangements for the day. As the rest of the school will be involved in a PSHE Day with staffing groups already allocated, we do not have much flexibility to move things round.

We have therefore decided that as the first set of English and maths mocks will be taking place in the following week (from Monday 16<sup>th</sup> to Friday 20<sup>th</sup> November) it makes sense to allow Year 11 to study at home on Thursday 12<sup>th</sup> November. They will also be able to access the Henley College taster session from home (details to follow). The English and maths teams will make sure that their students are clear about what they need to revise for their mock exams and having this study day at home will help the students prepare as thoroughly as possible.

**We would be grateful if you would please complete this [Google Form](#) by Friday 23<sup>rd</sup> October 2020 to confirm (or otherwise) that your child will work at home on Thursday 12<sup>th</sup> November 2020.**

**Anyone struggling with the link please copy the below into your browser:**

If you have any questions about this decision or want further advice on how to support your child in preparing for their mock exams, please contact your child's tutor.

Yours faithfully,

**Dr E.J.Newbold**  
Deputy Head
