

Gillotts School

Careers programme *Information for parents, teachers and employers*

Aims

Gillotts students are encouraged to have high aspirations and develop the necessary skills to be successful in future education and employment.

- ❖ We will help students learn about current, further and higher education, jobs, employment opportunities and employability skills.
- ❖ Students will learn through bespoke activities during five PSHE days, assemblies, events, trips and enrichment opportunities.
- ❖ All students will receive independent careers advice through Adviza, helping them to explore their future steps in education and employment and develop the necessary skills required.
- ❖ The careers programme will be annually reviewed and available for students, parents, teachers and employers on the school website.

Gatsby benchmarks for good careers guidance

Our Careers programme is designed and is being developed with the goal of meeting all the eight Gatsby benchmarks for good careers guidance:

1. A stable careers programme
2. Learning from career and labour market information
3. Addressing the needs of each pupil
4. Linking curriculum learning to careers
5. Encounters with employers and employees
6. Experiences of workplaces
7. Encounters with further and higher education
8. Personal guidance

Adviza

Adviza is our external careers individual advice and guidance (IAG) provider which delivers 1:1 interviews with students in Years 9 to 11. Our advisers, Katharine Gallagher and Angela Walker, will help students explore the necessary requirements for successful application for post-16 education and apprenticeships. They will also direct students to the latest labour market information. Students will be provided with an individual action plan that will help them make successful post-16 applications.

If parents would like to join their child for the interview this can be arranged prior to the date by contacting Mr G Bull (gbull@gillotts.org.uk).
