Keeping Safe

- We are planning for some of our events in 2021 to be live. *Please note that this could change at short notice if we have a COVID outbreak – please check the website before attending.*
- We prefer just one adult from each family, plus only children that the event involves
- All adult visitors are requested to wear face coverings, unless exempt.
- All visitors should socially distance from school staff.
- Please do not attend if you have any symptoms of COVID.
- We would appreciate adult visitors to do a lateral flow test before attending.
- Note we will not be able to support social distancing between visitors

Yours Faithfully
