# HOW DO PARENTS GET INVOLVED?

- Encourage talk about school
- Being asked
- Being listened to
- Consider the risks that children will be exploring, particularly with their friends and the internet

Moving to Secondary School is a big step. It should be fun and exciting. Sometimes it's a little scary. There is always someone at school to help and support the whole family to make this transition an easier one.

I  
Love  
School

- **Talk over your fears**
- **Relax**
- **Enjoy yourself**
- **Encourage participation in clubs/activities – builds confidence**

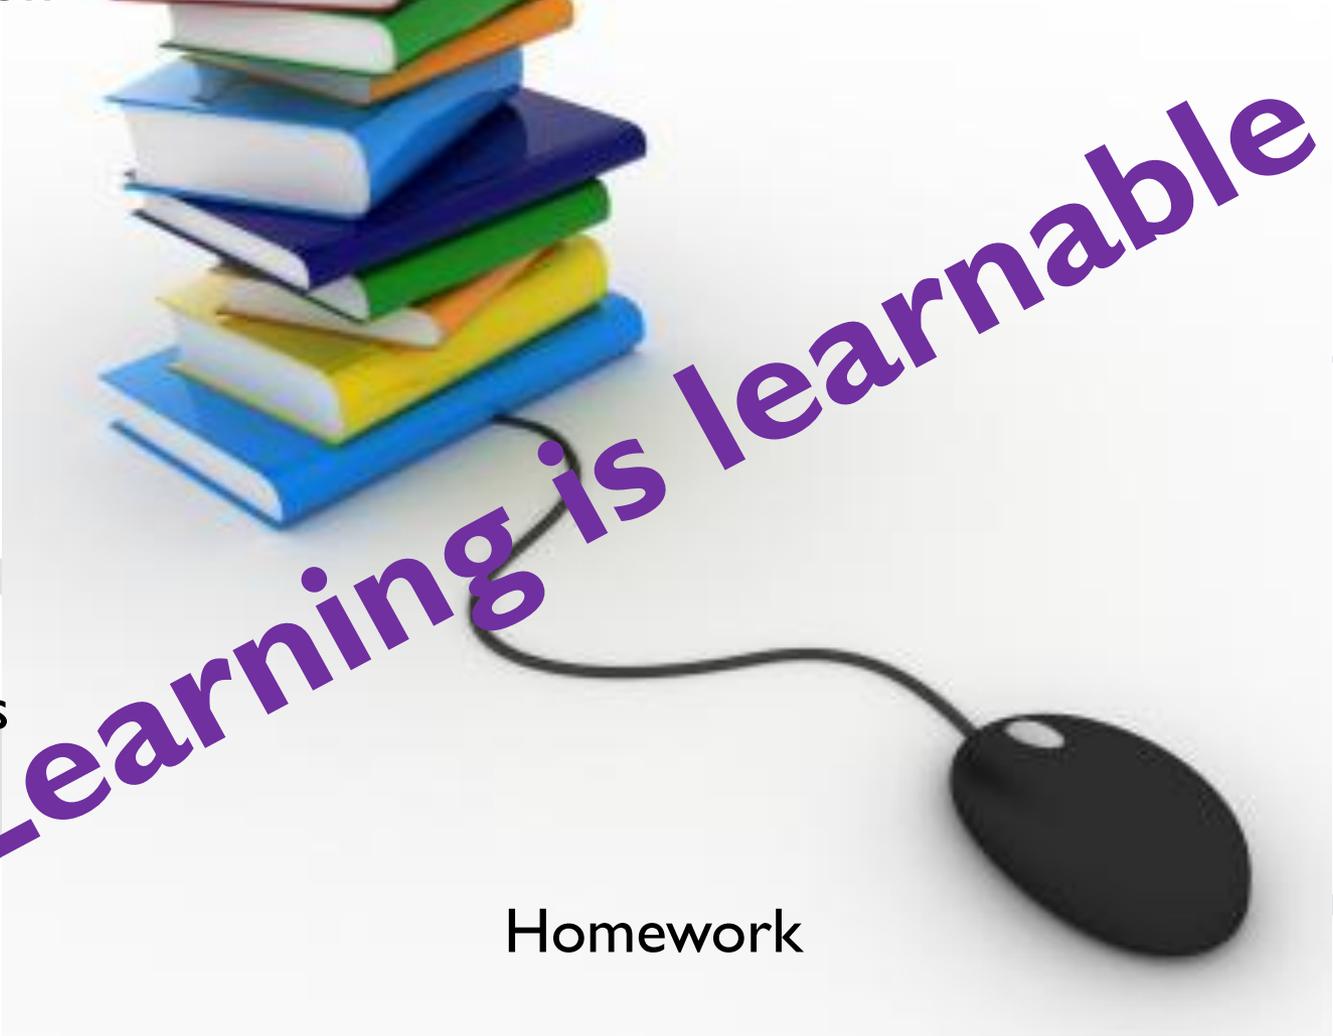

# TIPS FOR MAKING FRIENDS

- Smile, be pleasant and say hi to people.
- Make the first move. Join in School and lunch time activities. Find out about School clubs.
- Learn to be a good listener. Look at people while they are talking and concentrate on what they are saying.
- Ask lots of questions. A good way to let other people know you are interested in them is to ask about what they like and what they think.

# Moving up to Secondary School

- Possessions – keep your money, keys and other valuables in a safe place.
- Practical Tips:

Get a big school bag that is comfortable to carry. Pack your school bag before going to bed the night before.

Check your timetable for the next day. Make sure you have exercise books, gym kit, equipment and textbooks for all your subjects.

Do not carry too much money or too many pens, pencils and stationery – just what you need. Otherwise you have more to lose, misplace or have stolen.

# Student Check List:

- Bag
- Folder containing all subject books
- Pencil case with all correct equipment
- Correct uniform/coat and shoes  
*Just a reminder to get those uniform orders in...*
- Correct PE kit – relative to term/activity
- Parent and school support (confidence, self esteem, praise and help through this challenging transition in a student's life!)

# Teachers and Classes

- You may have ten or more teachers and ten or more different subjects and classrooms. It may be slightly confusing at first, but you will soon get the hang of it. You will have a tutor and a Head of House.
- Make a list of subject, teachers' names and subject rooms, and keep somewhere where you can check easily.

# Homework

- All homework is set on Google Classroom. A calendar or 'to do' list is accessible through the Google Classroom app or desktop site
- Do homework the same day it is assigned
- It is better to hand in something than nothing at all.
- If you have a long-term project, try to do some work on it every day. Set yourself a schedule and stick to it.
- If you forget or are unable to do your homework, tell the teacher before the lesson if possible.
- Use homework club!
- Pace yourself. Keep your mind fresh, have regular breaks and don't rush to do it all in one go.

# BYOD

- Harnessing the power of mobile learning and cloud-based technology in order to improve student engagement and outcomes
- Filtered access to the internet
- This must be a device with a larger screen (laptop, tablet or Chromebook) and not a mobile phone.
- Screen size must be at least 7 inches or larger, and ideally at least 10 inches
- The use of your mobile device in lessons is subject to the 'traffic light' system which is run by the class teacher

## 5 Tips for Teens:

**Protect your online reputation:** use the tools provided by online services to manage your digital footprints and 'think before you post.' Content posted online can last forever and could be shared publicly by anyone.

**Know where to find help:** understand how to report to service providers and use blocking and deleting tools. If something happens that upsets you online, it's never too late to tell someone.

**Don't give in to pressure:** if you lose your inhibitions you've lost control; once you've pressed send you can't take it back.

**Respect the law:** use reliable services and know how to legally access the music, film and TV you want.

**Acknowledge your sources:** use trustworthy content and remember to give credit when using other people's work/ideas.

# Parents' Association

We'd love you to join us for a fun, relaxed evening on the lawn of the Mansion Block on Friday 15th July, 5.30pm-8.30pm, to meet with other new parents and students.

Bring a picnic rug or camping chair, the kids, a few friends. There will be a bar serving Rebellion & Summer Punch, a BBQ (serving from 6-8pm), cakes, strawberries, music, a raffle & the inflatable obstacle course for the kids (and adults at the end!). Take advantage of the beautiful weather (fingers crossed) and our stunning playing fields and bring along a football or a frisbee.

£5 for an adult & child ticket, additional adults £4, additional kids £2 and children under 5 are free.

Children over 5 have unlimited access to the inflatable course included in their ticket.

## IMPORTANT:

All children are welcome, but must be accompanied by an adult.

# Parents' Association

- We look forward to welcoming all new parents to the PA and we are planning to run a welcome event for parents in September along the lines of a coffee morning.
- We need officers!  
Vice Chair, Vice Secretary, Vice Treasurer  
– one year apprenticeship, one year in role
