

Partnership Agreement between Home and School

The purpose of this agreement is to set out in broad terms how students, parents and the school should work together to ensure each student reaches his/her true potential. We strive to promote a broad, balanced range of learning experiences in an atmosphere of mutual respect. We stress values of good conduct and high achievement while also seeking to prepare students to be ready to accept the implications and responsibilities of belonging to a wider community.

We believe very strongly in the triangular partnership involving the student, parents and the school. Students and parents are asked to sign this document to demonstrate that they endorse the general principles that are set out within it and to confirm we will work together for the educational benefit of each child. If you would like to discuss the agreement, please contact your child's form tutor.
