

# Gillotts Parents' Association

Dear Parents and Carers,

We are really excited to launch our new Parents' Association website. The purpose of this website is to share PA fundraising events, upcoming uniform sales and general updates. The website also allows you to buy event tickets in advance.

We will be using this a lot more going forwards to provide you with event and fundraising news. You can also use the group to ask general PA or school questions.

We are meeting face to face on 21st February between 6pm - 7pm - A1 Classroom at the front of the school.

At this meeting we will be focusing on our Easter Activities, Summer BBQ and forthcoming fundraising ideas. This is your opportunity to have an input in how the PA funds are allocated. We'd love to see you.

Does your company Fund Match? Please email us if you think you can help fund match one of our events.
